MohammadAli Attar Olyaei
Full Stack Web Developer

✉ m.aliattarr@gmail.com   📞 09392330297

📍 Iran,Mashhad

Profile

As a skilled full-stack developer, I excel in PHP and Laravel for server-side development and React.js for client-side implementation. With a track record of successful projects, I specialize in creating efficient web applications, optimizing performance, and ensuring seamless user experiences. Let's work together to turn your ideas into reality!
